Caffeine Freak

Author's Notes:
It\'s the end of the LJ meme drabbles, awwww. I\'m gonna mentally think of Jens as \"The Jensation\" from now on

"Tobi."

"Jens."

Jens rolled his eyes. Of all Tobi's games, I'll-Say-Your-Name-Everytime-You-Say-Mine was his least favorite.

"Don't do that."

"What? Don't do what? I just said 'Jens'. Don't say Jens? What's wrong with it? Jens Jens Jens."

"Dammit, Tobi."

"Jeeeeeeeens. Jensy Jensy Jens Jens."

"Tobi, I swear to God."

"Jens, I swear to Jens."

Right. Obviously someone had given the hyperactive lead singer sugar. Or caffeine. Probably both.

And there was, of course, only one way to deal with a caffeinated Tobi.

"Jens. The Jensation. Jensmeister. Jensalicio – mmph!"

Tobi tasted like coffee.
